2.2 CHARTER OPERATIONS

If carriage is performed pursuant to a charter agreement, these Conditions of Carriage apply only to the extent they are incorporated by reference or otherwise in the charter agreement or the Ticket.

2.3 CODE SHARES

On some services, Our Partner Airlines have arrangements with other Carriers known as "Code Shares". This means that even if you have a reservation with our Partner Airlines and hold a ticket where our name, the partner airline name or airline designator code is indicated as the carrier, another Carrier may operate the aircraft. If such arrangements apply, our Partner Airline will advise you of the carrier operating the aircraft at the time you make a reservation.

2.4 OVERRIDING LAW

These Conditions of Carriage are applicable unless they are inconsistent with our Tariffs or applicable law in which event such Tariffs or laws shall prevail.

If any provision of these Conditions of Carriage is invalid under any applicable law, the other provisions shall nevertheless remain valid.

2.5 CONDITIONS PREVAIL OVER REGULATIONS

Except as provided in these Conditions of Carriage, in the event of inconsistency between these Conditions of Carriage and any other regulations we may have, dealing with particular subjects, these Conditions of Carriage shall prevail.

Article 3 - Tickets

3.1 GENERAL PROVISIONS

3.1.1

We will provide carriage only to the Passenger named in the Ticket, and you may be required to produce appropriate identification.

3.1.2

Except as permitted under Article 3.1.4 and in accordance with our regulations, a Ticket is not transferable.

3.1.3

Some Tickets are sold at fares which may be partially or completely non-refundable. You should check the fare rules at the time of booking and choose the fare best suited to your needs. You may also wish to ensure that you have appropriate insurance to cover instances where you might have to cancel your Ticket or are prevented from travelling.

3.1.4

Our Partner Airline will issue a replacement Ticket in someone else's name subject to the following conditions:

- your Ticket was purchased as part of a "package" to which the Package Holidays and Travel Trade Act, 1995, (the "Act") applies; and
- you wish to transfer your booking and you satisfy the requirements of Section 16 of the Act; and
- you give our Partner Airline reasonable notice of your intention to transfer the booking before the specified departure date; and
- you return your Ticket to us or our Partner Airline and provide the name, address and contact number for the person to whom you want the replacement Ticket to be issued; and
- you pay us or our Partner Airline a reasonable administration fee for issuing the replacement Ticket.

We will also issue a replacement Ticket in accordance with the requirements of any corresponding legislation implementing Council Directive No 90/314/EEC which is applicable in the country where the original Ticket was purchased.

3.1.5

The Ticket is and remains at all times the property of the issuing carrier.

3.1.6

Except in the case of an Electronic Ticket, you shall not be entitled to be carried on a flight unless you present a valid Ticket containing the Flight Coupon for that flight and all other unused Flight Coupons and the Passenger Coupon. In addition, you shall not be entitled to be carried if the Ticket presented is mutilated or if it has been altered otherwise than by our Partner Airline. In the case of an Electronic Ticket, you shall not be entitled to be carried on a flight unless you provide positive identification and evidence that a valid Electronic Ticket has been duly issued in your name.

3.1.7(a)

In case of loss or mutilation of a Ticket (or part of it) by you or non-presentation of a Ticket containing the Passenger Coupon and all unused Flight Coupons, upon your request we will replace such Ticket (or part of it) by issuing a new Ticket, provided there is evidence, readily ascertainable at the time, that a Ticket valid for the flight(s) in question was duly issued and you sign an agreement to reimburse our Partner Airline for any costs and losses, up to the value of the original ticket, which are necessarily and reasonably incurred by our Partner Airline or another Carrier for misuse of the Ticket. We will not claim reimbursement from you for any such losses which result from our own negligence. The issuing carrier may charge a reasonable administration fee for this service, unless the loss or mutilation was due to the negligence of the issuing carrier, or its agent.

3.1.7(b)

Where such evidence is not available or you do not sign such an agreement, the carrier issuing the new Ticket may require you to pay up to the full Ticket price for a replacement Ticket, subject to refund if and when the original issuing carrier is satisfied that the lost or mutilated Ticket has not been used before the expiry of its validity. If upon finding the original Ticket before the expiry of its validity, you surrender it to the carrier issuing the new Ticket, the foregoing refund will be processed at that time.

3.1.8

A ticket is valuable, and you should take appropriate measures to safeguard it and ensure it is not lost or stolen.

3.2 PERIOD OF VALIDITY

3.2.1

Except as otherwise provided in the Ticket, these Conditions, or in applicable Tariffs (which may limit the validity of a ticket, in which case the limitation will be shown on the Ticket), a Ticket or voucher is valid for:

3.2.1(a)

One year from the date of issue; or

3.2.1(b)

Subject to the first travel occurring within one year from the date of issue, one year from the date of first travel under the Ticket.

3.2.2

When you are prevented from travelling within the period of validity of the Ticket because at the time you request reservations, we are unable to confirm a reservation, the validity of such Ticket will be extended, or you may be entitled to a refund in accordance with Article 10.

3.2.3

If after having commenced your journey, you are prevented from travelling within the period of validity of the Ticket by reason of illness, we may extend the period of validity of your Ticket until the date when you become fit to travel or until our first flight after such date, from the point where the journey is resumed on which space is available in the class of service for which the fare has been paid. Such illness must be attested to by a medical certificate. When the flight coupons remaining in the Ticket, or in the case of an Electronic Ticket, the Electronic Coupon, involve one or more Stopovers, the validity of such Ticket may be extended for not more than three months from the date shown on such certificate. In such circumstances, we will similarly extend the period of validity of Tickets of other members of your immediate family accompanying you.

3.2.4

In the event of death of a Passenger en route, the Tickets of persons accompanying the Passenger may be modified by waiving the minimum stay or extending the validity. In the event of a death in the immediate family of a Passenger who has commenced travel, the validity of the Passenger's Tickets and those of his or her immediate family who are accompanying the Passenger may likewise be modified. Any such modification shall be made upon receipt of a valid death certificate and any such extension of validity shall not be for a period longer than forty-five (45) Days from the date of the death.

3.3 COUPON SEQUENCE AND USE

3.3.1

The Ticket you have purchased is valid only for the transportation as shown on the Ticket, from the place of departure via any Agreed Stopping Places to the final destination. The fare you have paid is based upon our Tariff and is for the transportation as shown on the Ticket. It forms an essential part of the contract between you and the Partner Airline. The Ticket will not be honored and will lose its validity if all the coupons are not used in the sequence provided in the Ticket.

3.3.2

Should you wish to change any aspect of your transportation you must contact the Partner Airline in advance. The fare for your new transportation will be calculated and you will be given the option of accepting the new price or maintaining your original transportation as ticketed.

3.3.3

Should you change your transportation without agreement of the Partner Airline, they will assess the correct price for your actual travel. You will have to pay any difference between the price you have paid and the total price applicable for your revised transportation. Our Partner Airline will refund you the difference if the new price is lower but otherwise, your unused Coupons have no value.

3.3.4

Please be aware that while some types of changes will not result in a change of fare, others, such as changing the place of departure (for example if you do not fly the first segment) or reversing the direction you travel, can result in an increase in price. Many fares are valid only on the dates and for the flights shown on the Ticket and may not be changed at all, or only upon payment of an additional fee.

3.3.5

Each Flight Coupon contained in your Ticket will be accepted for transportation in the class of service on the date and flight for which space has been reserved. When a Ticket is originally issued without a reservation being specified, space may be later reserved subject to our Tariff and the availability of space on the flight requested.

3.3.6

Please be advised that in the event you do not show up for any flight without advising our Partner Airline in advance, they may cancel your return or onward reservations. However, if you do advise our Partner Airline in advance, they will not cancel your subsequent flight reservations, but Article 3.3.4 will be applicable in this case

Also in accordance with our Tariff in effect on the date of payment a surcharge, for example a fuel or insurance surcharge, may be added to the fare for your Ticket.

4.2 TAXES, FEES AND CHARGES

Applicable taxes, fees and charges imposed by government or other authority, or by the operator of an airport, shall be payable by you. At the time you purchase your Ticket, you will be advised of taxes, fees and charges not included in the fare, most of which will normally be shown separately on the Ticket. The taxes, fees and charges imposed on air travel are constantly changing and can be imposed after the date of Ticket issuance. If there is an increase in a tax, fee or charge shown on the Ticket you will be obliged to pay it. Likewise, if a new tax, fee or charge is imposed even after Ticket issuance, you will be obliged to pay it. Similarly, in the event of any taxes, fees or charges which you have paid to us at the time of Ticket issuance are abolished or reduced such that they no longer apply to you, or a lesser amount is due, you will be entitled to claim a refund. If you do not travel, you may apply in writing for a full refund of taxes, fees and charges paid, in which case the refund may be subject to a reasonable administration charge.

4.3 CURRENCY

Fares, taxes, fees and charges are payable in the currency of the country in which the Ticket is issued, unless another currency is indicated by our Partner Airline at or before the time payment is made (for example, because of the non-convertibility of the local currency).
